## Events, Events, Events!!

As the warmer months are upon us, more events continue to pop up! These events are great ways to get exposure for our animals and raise money for the shelter.

Volunteers are critical to make these successful, so we greatly appreciate your willingness to continue to help!

You can now sign up to volunteer at our events via our Volunteer Portal! Simply login, go to "Programs" in the left menu bar, select "Events", find the events you can help with, and respond!

## New Volunteer Portal

Still not in the new portal? Or need help getting started?  
Please reach out at [volunteer@animalprotectors.net](mailto:volunteer@animalprotectors.net)

## Volunteer of the Month Dave Spencer

Dave is a staple at the shelter! He is faithfully there every week helping with laundry, dishes, and supporting our CARES group on Wednesdays. He always has a huge smile and makes everyone feel welcome.

Also, the shelter is slowly turning him into a cat lover as well 😊
